Re: Great Link Communications, LLC

On March 9, 2017, I went Sterling Heights attempting to serve Legal Inc. Corporation, on behalf of Great Link Communications. This location is only a mail center. After contacting your office, I was given an address in the city of Detroit.

After receiving this information, I went to Detroit. I found the location, which was in a residential neighborhood. I knocked on the door and was greeted by a black male holding a young child. I asked if this was Great Link Communications? He responded "Yes it is!" I then said I had some legal documents for the company. He accepted service and thanked me.

TOTALS

4.5hr@\$35.00/hr = \$157.50

Thank you,

John E. Phillips

Re Benion v LeCom

I was able to deliver subpoenas regarding this case in the following manner/

AmComm was served at 12482 Emerson Dr, Brighton, Michigan. I made an earlier attempt in White Lake, Michigan. However, the building was vacant. I also made an attempt on Matthew Schultz, at his residence, with nobody home.

Great Link at 19166 Pinewhurst is a private residence. I have served them there on a previous occasion. I made three attempts this time around. The last two, I was convinced that someone was home, but nobody answered the door. I left the subpoena inside the front door, due to the refusal to answer the door.

Christopher Morgan lives in a high rise, luxury apartment in downtown Detroit. I was successful serving him there before. However, the building is under new ownership and the employees were required to sign a non disclosure clause regarding the tenants.

The desk clerk couldn't tell me that Morgan lived there. But he did tell me he would give the subpoena to the resident. I then gave him the subpoena.

There was also an attempt made to an address in Sterling Heights. This is simply a mail center business.

TOTALS

\$300.00 I actually had 14 hours involved serving these papers. Because there was difficulty

serving Great Link, and Christopher Morgan, I feel more comfortable charging \$100

per paper, and not 14hr@\$35.00/hr = \$490.00.
